

Dear AAUP-KSU Member,

Please find, below, the results of the recent Council Election. Congratulations and thank you to all delegates! Delegates are elected for two year terms on a staggered basis: approximately half of the delegates to Council will be elected each year. In the case of departments, schools, regional campuses or emeritus members with two or more delegates, the terms are arranged so as to be overlapping.

The names indicated in bold are either new to Council or are filling a newly-added seat due to additional members in their unit (Constitution of AAUP-KSU, Appendix A, Article IV, paragraph 2).

A blank space after a Unit name indicates a vacancy that urgently needs to be filled: the Council is the governing body of the AAUP-KSU Tenure Track (TT) Faculty, and it is vital that each Unit have representation, particularly as we head into negotiations for a new Collective Bargaining Agreement. Please contact me if you know of a member who is willing to be a delegate.

Sincerely,
Eric Mintz, Chair
Nominations and Elections Committee, AAUP-KSU
